### About the Guest

Special Agent John Wills, FBI (ret.) spent two years in the U.S. Army before serving 12 years with the Chicago Police Department. He left the Chicago Police Department to become an FBI Special Agent, working organized crime, violent crime, and drugs. He worked for 2 ½ years as an undercover agent in the FBI's first ever steroid sting. He served in Chicago, Alexandria, VA., Detroit, and Houston. Before retiring from the FBI, he spent 7 years teaching at the FBI Academy at Quantico, Virginia. He has taught Street Survival domestically and internationally, as well as supervised new agent training at the Academy.

Special Agent John Wills presently works for Advanced Interactive Systems ([www.ais-sim.com](http://www.ais-sim.com)) as a Field Training Manager, conducting training for police and military using the PRISim Judgment Simulator. John Wills also owns his own business, LivSafe, teaching Situational Awareness Classes. He appears on the NCAA speakers list, presenting lectures to universities on the dangers of steroids and other drugs. Special Agent John Wills is the author of **Chicago Warriors Midnight Battles in the Windy City**.

According to the book description of **Chicago Warriors Midnight Battles in the Windy City**, "Chicago Police Officer Pete Shannon's life is about to take a dramatic turn. His wife has a dark secret that she's about to reveal to him; his partner's life is about to be in jeopardy, and worst of all one of his own colleagues will present him with one of the biggest challenges of his life. Pete's strength, both physical and spiritual, will be put to the test as he and his partner work the "graveyard shift" on the mean streets of the "Windy City."

Fellow officer Marilyn Benson doesn't realize it yet, but her life is about to change in ways that she could have never imagined. Forces of good and evil will do battle for her soul and her faith, both of which have lain dormant for many years. It's an issue that she can no longer ignore. St. Michael the Archangel, patron saint of police officers, is about to engage in his biggest clash since throwing Satan out of Heaven."

### About the Watering Hole

The Watering Hole is police slang for a location cops go off-duty to blow off steam and talk about work and life. **Sometimes funny; sometimes serious; but, always interesting.**

Dear Sir,

I have not read your complete profile. But titles of your blogs suggest you are either a serving or retired policeman. Is it so? Taking 'yes' to be your answer, it is surprising to note the literary pursuits of a cop, supposedly a hard nut. Your review of the book reveals your interest for fiction. I invite you to my blogs, please, and offer your valuable comments on my short stories. Will you, Sir?

RAVI
