

Comprehensive Training Solutions When Lives Are On The Line

FOR IMMEDIATE RELEASE

Full-Featured PRISim™ PortableTrainerPRO™ Joins Simulator Product Family

SEATTLE – November 22, 2005 – Advanced Interactive Systems announces the latest addition to the PRISim™ product line: the PRISim PortableTrainerPRO™. The PRISim PortableTrainerPRO is a full-featured judgment and force option training system. By design, it creates a safe, effective and realistic learning environment for law enforcement, military and security professionals.

This cost-effective training system is easy to use, quick to deploy, and simple to transport. Integrated components enable trainers to set up the PRISim PortableTrainerPRO in as little as 15 minutes.

This flexible system supports a broad range of training requirements by accessing PRISim's extensive library of scenarios and multiple training devices including firearms, chemical agent, flashlight, etc.

Train on your terms with the PRISim PortableTrainerPRO. For more information, email info@ais-sim.com or visit www.ais-sim.com or call 1-800-441-4487.

About AIS

Advanced Interactive Systems, Inc., (www.ais-sim.com) provides comprehensive training solutions for people in positions where lives are on the line. AIS manufactures PRISim™ training simulators for lethal and less-lethal weapons handling and judgment skills. The AIS Ltd. group designs and builds anti-terrorist and other special application training facilities, with installations in more than 60 countries. The Reality Response Division manufactures interactive simulation systems and synthetic environments that provide reality-based training for CBNRE (Chemical, biological, nuclear, radiological, explosive) hazard response tasks. Headquartered in Seattle, AIS is a privately owned company with offices in Washington D.C.; McLean, Virginia; Monterey, California; Orlando, Florida; Abu Dhabi, UAE; Singapore, Malaysia; and Farnham, England.
