

FOR IMMEDIATE RELEASE:

PRISim™ PortableTrainer™ is a self-contained, cost-effective judgment evaluation and force option training system. By design, it creates a safe, effective and realistic learning environment for law enforcement, as well as military and security professionals. Now even a 10 – 50 man police department can utilize the award winning PRISim software with a system which is completely upgradeable.

This complete training system is designed for portability and 5-minute set-up in any room with controlled lighting. It comes with a drop-in laser, “trigger kit,” carrying case, and 100+ pre-installed branching scenarios. The system easily expands to support premium branching content and additional PRISim™ tools.

Train on your terms with the PRISim™ PortableTrainer™. For more information, email info@ais-sim.com or visit www.ais-sim.com or call 1-800-441-4487.
