

MOBILETRAINERTM PRO

*"More options in a traveling, use-of-force,
and marksmanship training facility."*

PRISim Suite[®] MobileTrainer PRO is a judgment evaluation and force options training facility, loaded with features to meet your training needs. This full-featured trailer creates a safe, effective and realistic learning environment in one comprehensive package. It is the ideal solution for training requirements in multiple locations.

PRISim Suite MobileTrainer PRO delivers superb situational, judgment, force options and marksmanship training without requiring a dedicated facility or training space.
