

## VEHICLE STOP: MILITIA PURSUIT

**DESCRIPTION:** Vehicle pursuit of a red pickup after exiting the interstate.

**PROLOGUE:** A two-mile pursuit before the vehicles pulls over on a side road.

### Main Scene:

The suspect exits the vehicle and approaches, stopping at the back of the vehicle to place his hand in the bed of the pickup. He then raises his hand slowly and approaches further before moving to the center of the road to do his crazy dance. All the while taunting the trainee. After doing the crazy dance he approaches, lunging at the trainee and then stops talking, turns around and walks to his vehicle. Once there he slowly reaches behind the seat of the truck pulling out an M1 carbine rifle. He points the gun at the trainee and begins firing, moving to a crouched position as he approaches. His last shot occurs when he reaches the patrol vehicle door.

### Branching Capabilities:

**Branch 1:** When the man is standing at the back of the truck with his hand concealed, this branch is available.

Branch Type: Instructor Override: Man gives up

**Branch 2:** When the man is standing at the back of the truck with his hand concealed, these branches are available.

Branch Type: Instructor Override: Man pulls out a revolver and shoots exiting the scene on the trainee's left.

**Branch 2B:** As the man raises the revolver to shoot, until he begins his movement to the left.

Branch Type: Fatal – Head and Torso - Man falls to the ground.

**Branch 3:** When man approaches and lunges at the trainee after doing his crazy dance, this branch is available.

Branch Type: OC Spray – Man covers his eye, backs up and kneels to the ground.

**Branch 4:** When the man pulls the M1 carbine from behind the seat of his truck until just before he raises the rifle to shoot at the trainee, this branch is available.

Branch Type: Fatal - Head and Torso - Man falls to the ground.

**Branch 5:** As the man raises the rifle to shoot until just as he begins to crouch and approach the trainee, these branches are available.

Branch Type 1: Fatal – Head: Man falls and leans against the truck.

Branch Type 2: Wound – Torso: Man falls, leans against the truck and then raises the gun to shoot again.

**Branch 5B:** As the man raises the rifle to shoot until he falls forward to the ground, this branch is available.

Branch Type: Fatal – Head and Torso - Man falls forward to the ground.

**Branch 6:** When the man approaches after passing end of the truck bed up until he is half way between the truck and the door of the patrol vehicle, this branch is available.

Branch Type: Fatal – Head and Torso - Man falls to the ground.

**Branch 7:** After the man has reached the door and the video pauses. At that point the scene goes into an infinite loop. The scene will loop until the instructor overrides it to end.

Branch Type: Instructor Override: Scene fades to black. Instructor MUST override to end the loop.

**Notes:**

## ON PATROL: SUSPICIOUS MAN

**DESCRIPTION:** While on patrol, a man is seen walking away from a parked vehicle.

**PROLOGUE:** Driving down a residential street a patrol vehicle approaches Westwood and Williams. After turning left on Williams a man is seen walking away from a parked vehicle.

### Main Scene:

As you exit the patrol vehicle, the man turns to face you. He claims to know nothing about the vehicle he just walked away from. His right hand is concealed in his coat pocket. After a few moments he turns and walks off down the road.

### Branching Capabilities:

**Branch 1:** After the man turns to face the trainee until just before he turns to walk, this branch is available.

Branch Type: Instructor Override - Man gives up.

**Branch 2:** After the man turns to face the trainee until just before he turns to walk away, these branches are available.

Branch Type: Instructor Override - Man throws off his coat and approaches.

**Branch 2B:** When the man stops at the hood of the patrol vehicle taunting the trainee for a fight until he lunges forward to punch, this branch is available.

Branch Type: Fatal - Head and Torso - Man falls to the ground.

### Notes:

## ON PATROL: PARKED VEHICLE

**DESCRIPTION:** A vehicle parked at an abandon gas station.

**PROLOGUE:** On patrol, approaching an abandon gas station, a couple is seen talking in a parked vehicle.

### Main Scene:

As the vehicle is approached, a couple is seen talking in the car. As the camera pans down to address the couple, the man's hand is gripped around the woman's neck. The man and woman reassure the trainee that everything is all right but the man offers to get out of the vehicle to talk. As the man gets out of the vehicle, a gun can be seen tucked in the man's pants. The woman also says, "He's got a gun."

### Scenario 1: Man stands with both hands up

#### Branching Capabilities:

**Branch 1:** As the man stands up from behind the vehicle raising both hands, these branches are available.

Branch Type: Fatal - Head and Torso: Man falls behind the car

**Branch 2:** As man steps back from the vehicle with both hands raised, this branch is available.

Branch Type: Fatal - Head and Torso: Man falls behind the car

### Scenario 2: Man stands with one hand up

#### Branching Capabilities:

**Branch 1:** As the man stands up before revealing his hand behind his back, this branch is available.

Branch Type: Fatal - Head and Torso: Man falls behind the car.

**Branch 2:** As the man pulls a gun out and shoots until he drops the weapon and runs, this branch is available.

Branch Type: Fatal – Head and Torso: Man falls behind the car.

### Notes:

## VEHICLE STOP: EYES OPEN

**DESCRIPTION:** A vehicle has been pulled over and the trainee approaches on the right hand side.

**PROLOGUE:** None

**Main Scene:** As you approach, the window rolls down and a young woman is seen inside the vehicle. She addresses the trainee with several comments and the scene then fades to black. The point of this scenario is to not observe the woman, but to keep your eyes open, observing and identifying anything that may not look right in the vehicle.

### **Branching Capabilities:**

**Branch 1:** As the woman talks until just before the scene fades to black, this branch is available.

Branch Type: Instructor Override - The woman acknowledges the gun on the center console and explains that she is a Vice Officer.

**Notes:**

# CHURCH INCIDENT: SUICIDAL YOUTH

**DESCRIPTION:** The scenario depicts a stabbing incident at a church.

**PROLOGUE:** As trainee enters the church lobby, teenagers are huddled to the side. A young man informs him that a young woman named Jessica has stabbed Ashley and is inside with the youth minister. When the trainee enters the church there is a conversation occurring between the youth minister and Jessica. As the trainee approaches, Jessica tells the youth minister to leave.

**Main Scene:** The youth minister walks forward, still between the trainee and Jessica. He then turns to the trainee and says, “Don’t hurt her officer, she’s only a child.” He then exits the scene. At that point Jessica has positioned herself close to the alter steps and she is holding a knife to her throat. She then turns the knife around, clutching in stabbing position in her left hand and begins to address the trainee. Slowly she begins to walk towards the trainee, while stating she has nothing to live for and that today someone is going to die. When she reaches the trainee she stabs the knife and the scene fades to black.

## Branching Capabilities:

- Branch 1:** At the point that Jessica takes the knife away from her throat and just begins to take her first step forward, this branch is available.  
Branch Type 1: Instructor Override – Jessica drops the knife and the youth minister enters the scene to console her.
- Branch 2:** At the point that Jessica has taken her first step until just before she takes her second step, this branch is available.  
Branch Type 1: Fatal – Head and Torso: Jessica falls to the ground.
- Branch 3:** At the point that Jessica reaches the first row of pews until she reaches the second row of pews, these branches are available.  
Branch Type 1: OC Spray: Jessica steps back cover her eyes  
Branch Type 2: Fatal – Head and Torso: Jessica falls to the ground.
- Branch 4:** At the point that Jessica passes the second row of pews until just before she stabs the knife at the trainee, these branches are available.  
Branch Type 1: OC Spray: Jessica steps back and covers her eyes.  
Branch Type 2: Fatal – Head and Torso: Jessica falls backwards to the ground.

**Notes:**

## ON PATROL: DRUG DEALER

**DESCRIPTION:** A suspicious man near the airport pacing outside his vehicle.

**PROLOGUE:** As the trainees round the corner in their vehicle they see a man pacing back and forth outside his vehicle. As they approach, the man jumps in his car, throws something out of his vehicle window and speeds off. The trainees then pursue the vehicle down past some hangars at the airport and finds the man attempting to wheel out a helicopter to escape. When the man sees the patrol car approaching he runs inside the hanger to hide.

**Main Scene:** As the trainees exit the patrol vehicle they take cover behind another vehicle parked inside the hanger. The man pops up from behind a jet fuel tank and begins to talk, attempting to entice the trainees with money and the good life. As he clears the end of the fuel tank he raises a gun and shoots, then returns back behind the fuel tank to pop up again and shoot before making his break out of the hanger, shooting two more times.

### Branching Capabilities:

**Branch 1:** As the man steps out and raises his gun to shoot until he moves to return behind the jet fuel tank, these branches are available.

Branch Type 1: Fatal – Head and Torso: The man falls backwards to the ground.

Branch Type 2: Other – The jet fuel tank explodes.

Branch Type 3: Other – The fuel tank of the helicopter explodes.

**Branch 2:** As the man pops his head up until his head disappears behind the fuel tank, these branches are available.

Branch Type 1: Fatal – Head and Torso: The man falls backwards to the ground.

Branch Type 2: Other – The jet fuel tank explodes.

**Branch 3:** As he the clears the end of the fuel tank until he takes half a step forward, this branch is available.

Branch Type 2B: Other – The jet fuel tank explodes.

**Branch 4:** As he takes his second step until he clears the rear helicopter door, this branch is available.

Branch Type 2B: Other – The helicopter fuel tank explodes.

**Notes:**
