

EMPLOYEE TERMINATION

DESCRIPTION: You are asked to escort an employee out of the building. She has just been terminated and seems angry.

PROLOGUE: You hear arguing as you approach, down the hallway.

Interactivity:

An employee has been terminated and the trainee is going to be escorting her out. As the trainee approaches, the woman is screaming and yelling. The woman that has been terminated is arguing with a man. She is hostile and has a gun. She shoots at the man and at the trainee then runs off.

Instructor Override:irate woman picks up her box and walks out the door.

Instructor Override: Woman grabs scissors from the box and lunges at the man.

Instructor Override: Woman puts scissors down and gives up.

Taser Override: Woman is shot with a taser.

Fatal Branch: Woman is shot while shooting at the man.

Notes:

HOMELESS MAN 1

DESCRIPTION: A homeless man is sleeping on the sidewalk outside your building, you and another officer attempt to remove him from the premises.

PROLOGUE: You approach the sleeping suspect. The officer that is with you wakes him up.

Scenarios and Interactivity:

Scenario 1

The officer that is with you approaches the sleeping man and bends down over him to awaken him. The homeless man awakens violently and slashes the officer with a knife. He drops the knife and approaches the trainee.

OC Branch: The man is sprayed while approaching.

Scenario 2

The officer that is with you approaches the sleeping man and bends down over him to awaken him. The homeless man awakens violently and slashes the officer with a knife. He approaches you in a threatening manner.

Fatal Branch: The man is shot while getting up.

Fatal Branch: The man is shot while approaching.

Notes:

HOMELESS MAN 2

DESCRIPTION: A homeless man is sleeping on the sidewalk outside your building. You attempt to remove him from the premises.

PROLOGUE: No prologue.

Interactivity:

As the man gets up, he appears intoxicated. He proceeds to yell at you and stick his hand in his coat. He pulls his hand out in the shape of a gun and says “Bang! Bang!” and then walks off.

Instructor Override: Man pulls a knife from his jacket pocket.

Instructor Override: Man pulls a real gun from his jacket pocket.

Instructor Override: Man throws the knife down and walks off.

Fatal Branch: Man shot while threatening with a knife.

Fatal Branch: Man shot while shooting.

Notes:

HOSTILE WIFE

DESCRIPTION: You are walking around the campus, and happen to be passing through the lunch room when a woman starts yelling at a man sitting at the table.

PROLOGUE: You enter the cafeteria area and proceed down the hallway. You approach a disgruntled woman at a table.

Scenario 1

Interactivity:

As the trainee approaches, the woman becomes more aggressive, pulls a gun and shoots the man. She then throws the gun on the table.

Instructor Override: The woman leaves.

Fatal Branch: The woman is shot after shooting the man at the table.

Scenario 2

Interactivity:

As the trainee approaches, the woman becomes more aggressive. She pulls a gun and puts the gun on the table.

Instructor Override: The woman puts the gun down sooner.

Instructor Override: The woman sitting at the table grabs the gun and shoots.

Fatal Branch: The woman sitting at the table is shot while shooting.

Notes:

SECURITY SCREENING

DESCRIPTION: You are standing at your station just inside a security screening area at the main entrance to the building. A gentleman passes through the metal detector and sets it off.

PROLOGUE: No Prologue

Interactivity:

The impatient man continues past the screening point and pauses half way between the metal detector and the trainee. He puts his hand in his coat and pulls out a piece of paper then continues toward you. He proceeds to very persistently ask the trainee where Richard Young is located. The screening officer approaches him and begins to escort him back to the screening process. On the way back he draws a gun and shoots the officer then turns to shoot at the trainee and then runs off.

Instructor Override: The man returns to be re-screened.

Instructor Override: The man pulls a gun instead of the paper and shoots.

Fatal Branch: The man dies while shooting from the first position.

Fatal Branch: The man dies while shooting from the second position.

Notes:

TRESPASSING KIDS

DESCRIPTION: There is a group of kids loitering outside on the front sidewalk. You attempt to get them to leave the premises.

PROLOGUE: No Prologue

Interactivity:

The trainee encounters a group of kids who are trespassing and loitering on the sidewalk next to the facility. The trainee's attempt to remove them is met by rude behavior. One kid reaches into his bag and pulls out a cell phone and they proceed to leave.

Instructor Override: The boy pulls a gun instead of a cell phone and shoots.

Fatal Branch: The boy dies and the girl picks up the gun and shoots.

Instructor Override: The girl puts the gun down and gives up.

Fatal Branch: The girl shooting dies.

Notes:
